

Burnham Library Computer Group

**Next Meeting:
Tuesday 3rd April
at 2.00pm
Cost £5 per session**

The Computer Group meets monthly to learn about computers, tablets and mobile phones. We are a very friendly group and open to everyone regardless of their skill with a computer. If you have a mobile phone problem, or a little question to do with your laptop or computer then why not pop along and say hello?

The Group is led by Martin Carter, who is an electronic engineer, with many years experience in the Computer industry, and runs
